

VENUE HIRE **BROCHURE**

**shoreditch
electric**

Preserving the industrial charm of our power station heritage, Shoreditch Electric is an impressive, contemporary events venue located in the heart of Shoreditch, East London.

Shoreditch Electric is home to the National Centre for Circus Arts, one of Europe's leading charities providing circus education. All commercial revenue from hiring Shoreditch Electric goes back into the running of the National Centre for Circus Arts.

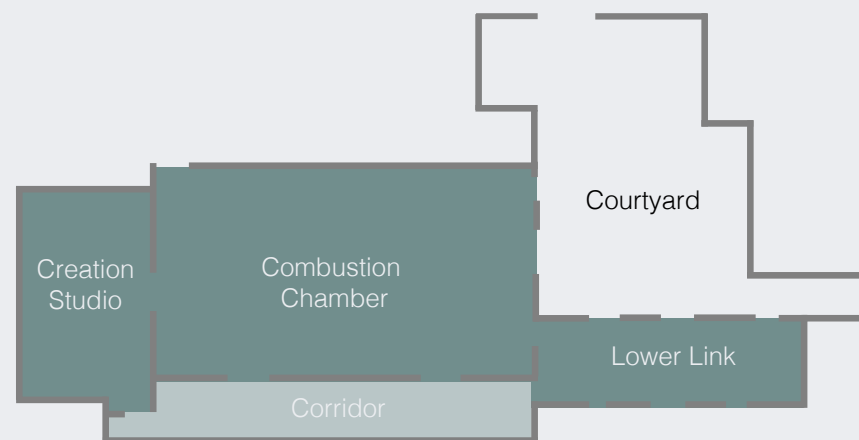

PART HIRE PACKAGE

Our Part Hire package ensures seamless guest flow between four easily adaptable, fully accessible spaces across our ground floor. The two most popular spaces in this package are the Combustion Chamber and the Courtyard.

The Combustion Chamber features a seventeen-meter-high ceiling, 425sqm of space, clear sightlines and natural daylight with blackout capability. Flexible for multiple configurations, every event held here feels unique.

The Courtyard is a rare find in Central London; this space provides excellent access for loading and can accommodate a range of event activities, such as food trucks and marquees, thanks to its power and water supply.

**Smaller rooms are also available as bolt-ons to complement the package; please contact our team to discuss your specific requirements. Diagram not to scale.*

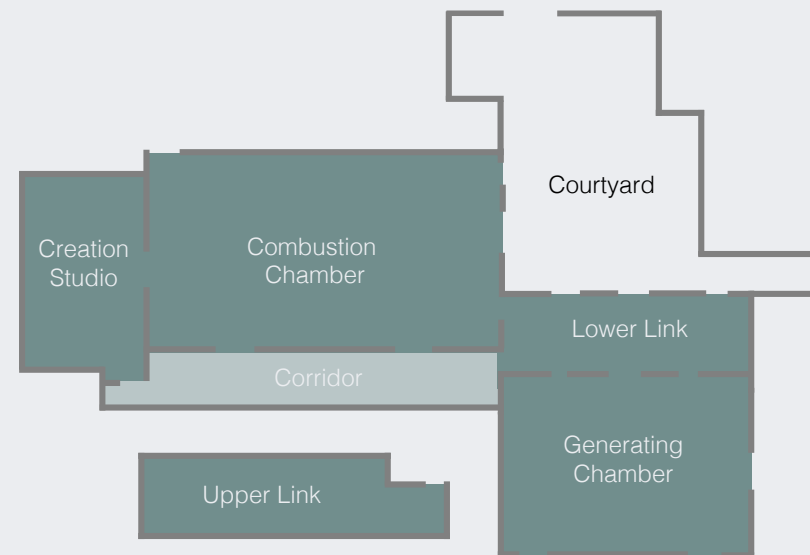

FULL HIRE PACKAGE

Our Full Hire package grants exclusive use of all the available spaces at Shoreditch Electric, offering six versatile spaces for guest facing and production activity, and additional back of house space.

In addition to the spaces included in our Part Hire package, Full Hire includes the Generating Chamber, our second-largest room. This seven-meters-high space has natural light from the skylights, offering a warm atmosphere while retaining the original features of an imposing industrial space.

The Generating Chamber, Combustion Chamber, and Courtyard are all connected via the Lower Link, which serves as a natural welcome zone. The Lower Link is ideal for guest registration, bag and coat checks, and offers a smooth transition between event areas.

**The Upper Link is located on the second floor, accessed via stairs at the end of the corridor. Diagram not to scale.*

OUR SPACES

We operate as a dry hire venue, which means that we offer blank canvas spaces, which are very versatile and easily transformed into beautiful event spaces.

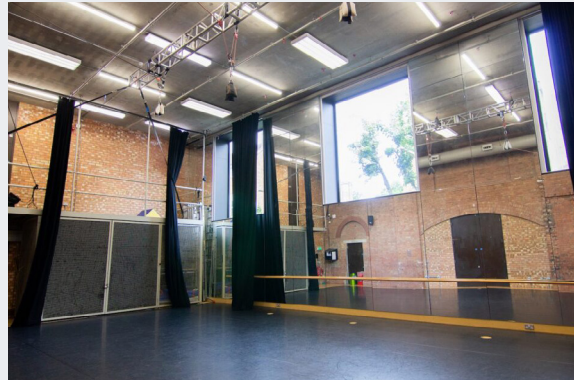

The venue is widely accessible, with accessible toilet facilities, lifts, step-free access to rooms and wide doorways.

We mainly offer two hire packages:

- **Part Hire** – Creation Studio, Combustion Chamber, Courtyard and Lower Link studio.
- **Full Hire** – all spaces included in the part hire package, as well as the Generating Chamber and Upper Link studio.

The Creation Studio may also be available to hire in isolation, primarily as a rehearsal space.

Creation Studio (110 SQ M)

Combustion Chamber (425 SQ M)

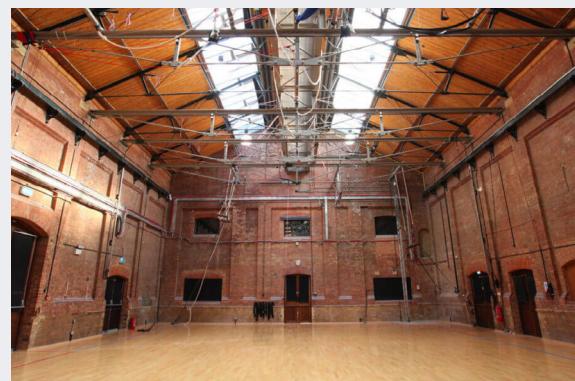

Courtyard (540 SQ M)

Lower Link Studio (105 SQ M)

Generating Chamber (280 SQ M)

Upper Link Studio (105 SQ M)

CONSULTANCY

Shoreditch Electric is not only an events space, it is home to the National Centre for Circus Arts, one of Europe's leading providers of circus education.

We can offer unforgettable circus performances and workshops for both on-site and off-site events, through our extensive network of graduates and professional artists.

Whether you're interested in world class circus performances at your next event or want to try circus through our corporate workshop programme, we offer a diverse and dynamic range of talent to create unforgettable experiences.

Whatever the occasion we can elevate your event with world-class circus performances and can consult on the best act for any space. Speak to the Hires Team at hires@nationalcircus.org.uk for further information.

OUR WORK

For over 30 years, the National Centre for Circus Arts has trained, inspired, and mentored individuals through higher education courses, outreach initiatives, and recreational programmes.

As a registered charity, nearly 50% of our funding comes from grants, donations, and sponsorships, but delivering specialist training requires skilled expertise and custom-built equipment. This is where corporate funding plays a key role.

Ways to Support Us:

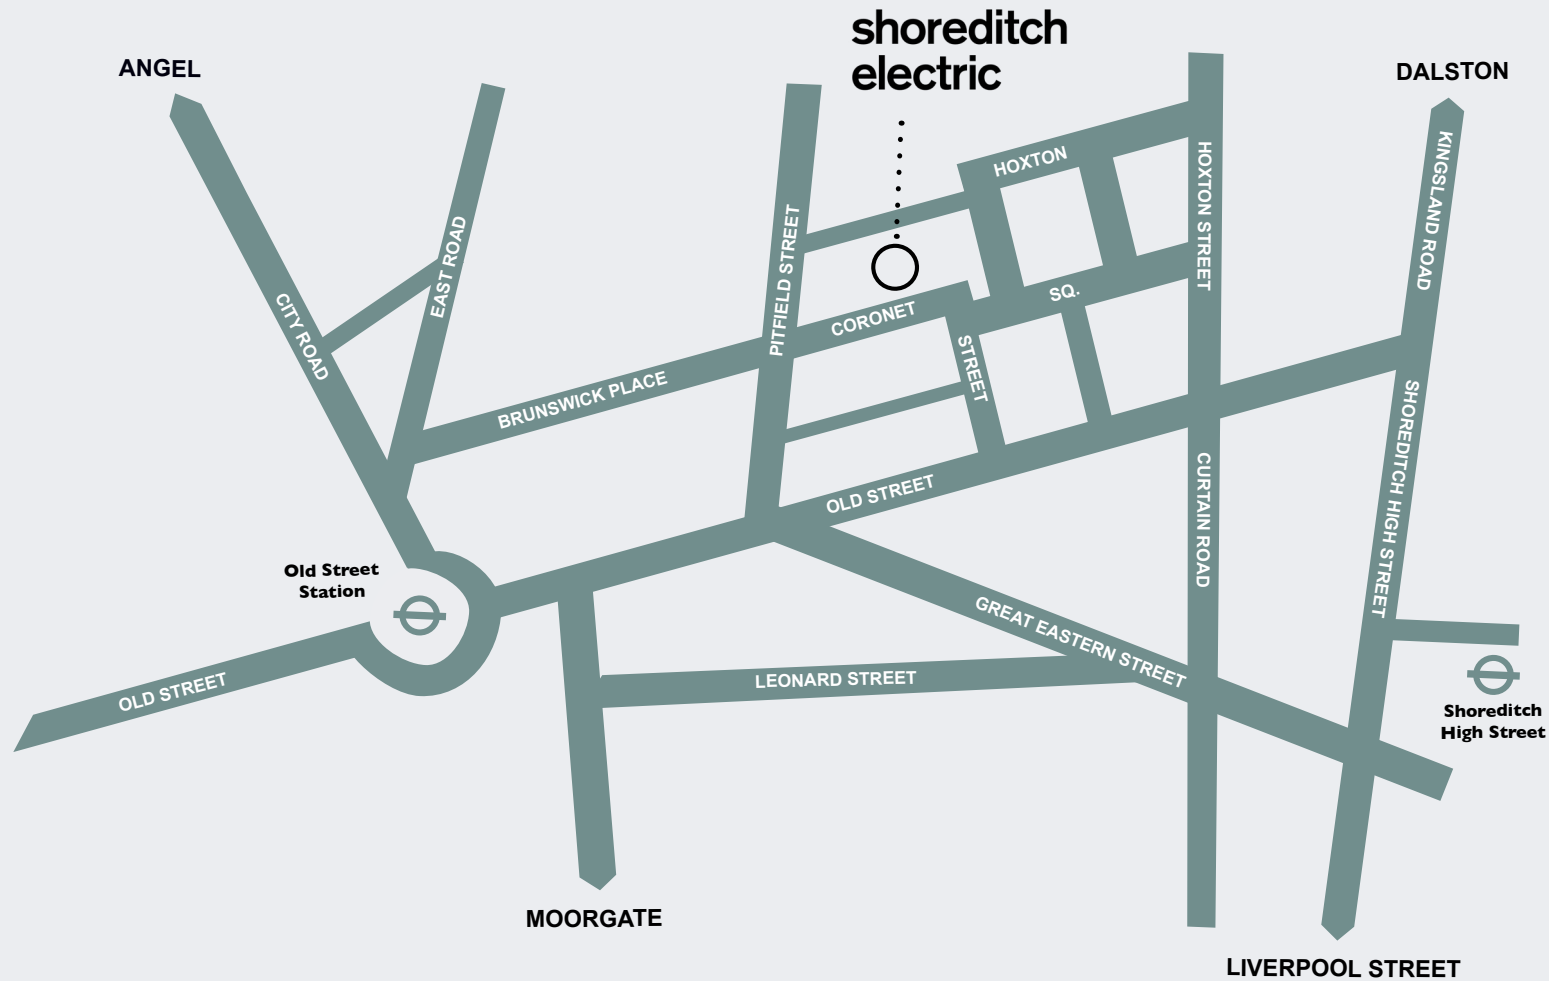

- **Corporate Sponsorship** – Align your brand with world-class performance, creativity, and innovation.
- **Philanthropy & Donations** – Contribute to training, scholarships, and outreach programmes.
- **Commercial Venue Hire** – Host your event in a historic venue while supporting our charitable mission. All revenue from venue hire goes into the National Centre, helping future circus artists succeed.

Join us in shaping the future of circus arts — get in touch to explore partnership opportunities at development@nationalcircus.org.uk.

WHERE TO FIND US

Old Street underground station (Northern Line) is 4 mins away and just two stops from St. Pancras International. The London Overground network is close by, as well as numerous bus routes, making Shoreditch Electric easily accessible from all areas of London.

Located in the heart of East London, Shoreditch some of London's best hotels, restaurants, and bars walking distance from our venue.

Our Hires Team would love to welcome you to Shoreditch Electric to view our stunning spaces.

Let's collaborate to turn your event ideas into an unforgettable experience—reach out today!
